

BCMW Mobile 13.6.23

- Is it possible **on scroll** to have shape as the logo? Same as desktop? **Done**

- When the menu collapses on scroll the Search and Bag must be next to each other they currently are not **Working**
- Check all dark overlays on blocks, they are still not accurate **Done**

- Arrows on Festive Gifts & 50% are now too close to headings **Done**
- Shop by Category - blocks need more spacing between them **Done**
- Footer needs to hide Chat box and Fancy 10% off tab **Done**

Product Page

- Read more - slide out, increase line height please **Done**
- Spacing above Related Products section **Done**

Basket

- Quantity circles are stretched and don't look great **Done**

Cast Iron Stag on
Rock Sculpture

Qty - 1 +

Checkout

- Radio buttons - circles aren't in the centre **Working**
